

	<b>OUTCOME</b>	<b>ACTION/STRATEGY</b>	<b>ASSESS. METHODS</b>	<b>WHEN</b>	<b>HOW/CRITERION</b>	<b>WHO</b>
1	Generate 2D, 3D, 4D forms and processes in accordance with basic principles of design for the betterment of life	ID101, ID102, ID201, ID202, ID301, ID302, ID401, ID402	Project works Presentations Juries Classworks	Each semester	Instructor's assessment, discussion performance, average score	Instructor, Guest Jury Member, Research Assistant
2	Identify and analyze design problems, and use creative thinking methods for solutions.	ID101, ID102, ID122, ID201, ID202, ID241, ID301, ID302, ID401, ID402	Project works Presentations Juries Classworks	Each semester	Instructor's assessment, discussion performance, average score	Instructor, Guest Jury Member, Research Assistant
3	Apply various methods and tools required at different steps of the design process.	ID102, ID111, ID112, ID201, ID202, ID231, ID301, ID302, ID362, ID381, ID401, ID402	Project works Presentations Juries Classworks	Each semester	Instructor's assessment, discussion performance, average score	Instructor, Research Assistant
4	Use theoretical and practical knowledge competently while designing systems, services, and products.	ID102, ID201, ID202, ID222, ID241, ID272, ID301, ID302, ID341, ID381, ID362, ID401, ID402, ID399, ID499	Project works Presentations Juries Classworks Exams/Quizzes Essays/Reports	Each semester, except first semester	Instructor's assessment, discussion performance, average score	Instructor, Guest Jury Member, Research Assistant
5	Use proper methods to identify the needs of potential users and use contexts, and develop solutions to mediate intended user experiences.	ID202, ID301, ID302, ID362, ID381, ID402	Project works Presentations Exams/Quizzes	Second, third and fourth year	Instructor's assessment, discussion performance, average score	Instructor
6	Plan a design process by complying with the various needs of different industries; effectively carry out this process individually or in collaboration with multidisciplinary teams.	ID331, ID402, ID399, ID499	Project works Exams/Quizzes Essays/Reports	Third and fourth year	Instructor's assessment, average score	Instructor
7	Evaluate and contribute to the development of existing knowledge and practice through proper research, critical thinking and ethical perspective.	ID122, ID222, ID301, ID302, ID341, ID362, ID381, ID402, ID499	Project works Presentations Exams/Quizzes Essays/Reports	Each year	Instructor's assessment, discussion performance, average score	Instructor
8	Identify the materials and production technologies within the scope of industrial design activity; and use it within design processes.	ID102, ID201, ID202, ID231, ID241, ID272, ID399	Project works Presentations Juries Classworks Exams/Quizzes Essays/Reports	First and second year	Instructor's assessment, discussion performance, average score	Instructor, Guest Jury Member, Research Assistant
9	Prepare mediums to competently transfer ideas into visual, oral, and written forms, and effectively communicate with stakeholders throughout the design process.	ID101, ID102, ID111, ID112, ID201, ID202, ID231, ID301, ID302, ID331, ID362, ID381, ID401, ID402, ID399, ID499	Project works Presentations Juries Classworks Essays/Reports	Each semester	Instructor's assessment, discussion performance, average score	Instructor, Guest Jury Member, Research Assistant
10	Demonstrate a professional approach to industrial design by taking into account its historical background and ever-changing technological, economic and social contexts; and to treat design practices in this framework.	ID122, ID222, ID272, ID302, ID331, ID341, ID401	Presentations Classworks Exams/Quizzes Essays/Reports	Each year	Instructor's assessment, discussion performance, average score	Instructor
11	Appraise the importance of social responsibility, sustainability, and ethical conduct in industrial design; pay attention to the relationship between people, objects and environments, and value intellectual and industrial property rights.	ID122, ID301, ID302, ID331, ID341	Project works Presentations Exams/Quizzes	First and third year	Instructor's assessment, discussion performance, average score	Instructor
